

[Royal & SunAlliance Civic Trust Societies Insurance Scheme]

Royal & SunAlliance is the second largest commercial lines insurer in the UK, covering the insurance and risk management needs of a significant number of FTSE 100 companies. It has a full multi-distribution capability, writing business through brokers and corporate partners, direct and online.

Royal & SunAlliance, in conjunction with Marsh Risk Trading Direct, are now offering a group insurance scheme for all Civic Trust Societies.

What will this cover?

- [] **Public and Products Liability** - As a Civic Society's activities involve contact with the general public, there is a risk that you may cause injury to third parties or damage to their property and as a result a claim may be made against you. Public and Products Liability provides cover for your legal liabilities should such a claim be made.
- [] **Employers' Liability** - This provides cover for your Civic Society's Legal Liability to employees, helpers and voluntary workers.
- [] **Money** - This provides cover for theft of Civic Society funds from any Civic Society representatives home, from a Civic Society event or whilst in transit.
- [] **Event Cancellation** - Providing cover for expenses incurred when organising a fundraising event, which is cancelled.
- [] **Personal Accident** - This provides compensation to members and volunteers of the Civic Society who are injured whilst engaged in the Civic Society's activities.
